

OFT: 2015-16

Sl. No.	Title	No. of trial	No. of farmers
01.	Disease tolerance of Green gram variety 'SG-21-5' against Cercospora leaf spot and YMV	4	4
02	Performance of Scented rice variety 'CR Dhan 909' (Pankaj x Padumoni)	1	1
03	Surface drainage method in kharif Sesamum	3	3
04.	Effect of Boron on the productivity of Wheat	3	3
05.	Management of Red ant (<i>Dorylus orientalis</i>) in Potato	5	5
06.	Efficacy of Propiconazole 25 EC against False smut disease in summer rice	5	5
07.	Performance of local magur Cultivation technology	3	3
08.	Performance of carp seed rearing in cages in flood affected area	2	2
09.	Performance of different group sizes of SHGs on annual savings	15	147
10.	Performance of cross breed Pig Hampshire x Ghungroo	3	3

OFT: 2016-17

Sl. No.	Title	No. of trial	No. of farmers
1.	Performance of Submergence tolerant rice variety Ranjt sub 1 & Bahadur sub1	04	04
2.	Disease tolerance of Green Gram variety 'SG 21 – 5' against Cercospora leaf spot and yellow mosaic virus	04	04
3.	Utera cropping of Toria in kharif Rice	04	04
4.	Effect of foliar application of nitrogen in Lentil	02	02
5.	Effect of moisture conservation practices in Toria in Rice – Toria sequence	02	02
6.	Effect of Integrated nutrient management on Wheat	03	03
7.	Effect of Sulphur on productivity of Black gram	03	03
8.	Effect of non-chemical management practices of potato cutworm on crop yield and pest infestation	08	08
9.	Efficacy of Propiconazole 25 EC against False smut disease in summer rice	05	05
10.	Effect of management practices of whitefly (Leaf curl vector) in tomato	04	04
11.	Cultivation of local Magur(continued from 2016-17)	03	03
12.	Performance of carp seed rearing in cages in flood affected area	02	02
13.	Performance of women friendly manual fruit plucker, manual long reach pruner for drudgery reduction	10	10
14.	Powdery biomass cook stove	03	03
15.	Performance of cross breed pig (HampshirexGhungroo)(continued from 2016-17)	03	03
16.	Performance of cross breed pig (HampshirexGhungroo)	03	03
17.	Performance of local magur Cultivation technology	03	03

OFT: 2017-18

Sl. No.	Title	No. of trial	No. of farmers
1.	Performance of Submergence tolerant rice variety Ranjit sub 1	06	06
2.	Performance of short duration mustard variety “NRCHB 101” in the farmers field	04	04
3.	Performance of Utera cropping of Rabi Oilseed (Toria) in winter rice	05	05
4.	Effect of Lime application in Kharif Blackgram	04	04
5.	Effect of stage wise application of nitrogen and potassium in Banana.	03	03
6.	Effect of application of boron on productivity of irrigated wheat	03	03
7.	Management of stem rot disease of Sali rice	03	03
8.	Non-chemical management of potato cutworm (Agrotis ipsilon)	05	05
9.	Management of whitefly (Leaf curl vector) in tomato	04	04
10.	Assessment of new combination fungicide “Nativo 75 WP” (Tebuconazole 50 % WP + Trifloxystrobin 25 % WP) against neck blast disease in Summer rice	03	03
11.	Cultivation of magur (Clarius batrachus)	03	03
12.	Assessment of growth performance of crossbreed pig (Ghungroo x Hampshire) under local condition	01	01
13.	Assessment of low cost feed mixture in dairy cattle during scarcity period	03	03
14.	Assessment of Jatropha oil based herbal soap	02	02
15.	Powdery biomass cook stove	03	03
16.	Powdery biomass cook stove	03	03
17.	Development of Amylase rich food products from cereals and legumes.	03	03

OFT: 2018-19

Sl. No.	Title	No. of trial	No. of farmers
1.	Assessment of new combination fungicide (Tebuconazole 50%WP + Trifloxystrobin 25%WP) in summer rice	3	3
2.	Assessment of Bio control agent ' Bio Veer(Talc based formulation of Trichoderma viridae) against wilt disease of tomato	4	4
3.	Management of storage insect pests of rice through ITK	3	3
4.	Effect of drip method of irrigation in Assam Lemon	1	1
5.	Effect of stage wise application of Nitrogen and potash in Banana	5	5
6.	Assessment of performance of poultry breed 'Kadakhath'	4	4
7.	Assessment of performance of broiler duck "White Pekin"	6	6
8.	Weed management in kharif blackgram	6	6
9.	Effect of recommended water management practices of boro rice in STW Command	5	5
10.	Foliar nutrition in lentil	6	6
11.	Effect of union fabric on quality of traditional apparels	6	6
12.	Performance of women friendly manual fruit plucker, manual long reach pruner for drudgery reduction	10	10
13.	Varietal evaluation of Chilli variety	2	2
14.	Varietal evaluation of field Pea variety	2	2
